

Following The Trend Diversified Managed

The trend following ideas presented here are simple and much work will still lie ahead for the budding algorithmic trader, but this at least is a well written, properly researched introduction to the field which relies on evidence rather than anecdote.

Following the Trend: Diversified Managed Futures Trading [Andreas Clenow] on Amazon.com. *FREE* shipping on qualifying offers. During bull and bear markets, there is a group of hedge funds and professional traders which have been consistently outperforming traditional investment strategies for the past 30 odd years. They have shown remarkable uncorrelated performance and in the great bear market of 2008 they had record gains. These traders are highly secretive about their proprietary trading ...

I'm booked for speaking in Melbourne in November 2019. Do you know of any good conferences near you? Let me know.

Following the Trend

Following the Trend is a book for professionals or those determined to become professionals. I will take you on a ride through my world. The world of large scale systematic, trend following futures trading. Some of this world is excellent. Some is a complete nightmare. My book will show all of this without bias.
