Keep your Ford Mustang's brake system safe and leak free. We have direct fit replacements for original brake hoses, and you can upgrade to stainless steel lines.

Ford Mustang Brake Lines & Hoses - CARiD.com

The primary braking system is a disc brake but inside, we find an older style drum brake set up for the emergency brake system. If you're used to servicing drum brakes, the spring and lever system within can be a bit intimidating, but older Mustang owners will tell you there's nothing to be afraid of.
