Book Description. Foundation Game Design with HTML5 and JavaScript teaches you everything you need to know about how to make video games. If you've never done any programming before and don't know where to start, this book will show you how to make games from start to finish.

### **Foundation Game Design with HTML5 and JavaScript [Book]**

Foundation Game Design with HTML5 and JavaScript starts by showing you how you can use basic programming to create logic games, adventure games, and create interactive game graphics. Design a game character, learn to control it with the keyboard, mouse, or touch screen interface, and then learn how to use collision detection to build an interactive game world. You'll learn to make maze games ...
